**Lessons for Stuff exchange:** Thank you to Mrs. Balbarosa for her CD/DVD player donation to the music room. 3 free (yes, free!) lessons are hers to cash in as convenient. Further donations are still welcome. See the music website link for details.

### **Ho, Ho, Ho, Father Beau and Parents!**

Would you love a chance to help Father Beau out in a fun, interactive way? We're looking for parent volunteers to help put on our production of Once on a Housetop, a short musical play featuring a big-hearted, lovable cast of chimney sweeps. Our play is on Wednesday, Dec. 15th. If so, please see our school website and go to Mr. MacLean in the "Classes" section for more information. We need set design builders and painters, costume prep, make-up prep, a videographer, and a coach. Ready to have a blast?

### **Christmas Production Auditions:**

Your son or daughter may have expressed interest in playing a part in our Christmas Production, Once on a Housetop, to be performed Wednesday, December 15th. All choir members are a part of this production and may have specific parts. Actors are being asked to be available after school on Tuesdays or Wednesdays from 2:45-3:45. Please email or see Mr. MacLean if you have questions or concerns. Thank you all for your support. We can't do it without you!
