Father Beauregard Parent(s) / Guardians

Welcome to Father Beauregard! We are excited for another year of learning, growth and excitement for the 2024-2025 school year. This year, our students will continue their learning growth with the new Alberta Curriculum in Mathematics, Language Arts, Wellness and Science, while growing spiritually in their Faith through the teachings of the Catholic Church. We continue to foster positive choices for students through our collaboration of many community partners and through the support of Apple Schools.

Family involvement is an integral part of a child's education, so we invite families to join us throughout the year for various events and to share in student's learning. Teachers at Father Beauregard are committed to sharing information and recommendations regarding student learning. Through a tight school and family relationship, further growth and success will be had by all. If you ever have a question or concerns related to your child, we want to hear from you. Please do not hesitate to reach out to your child's classroom teacher or to our main office to ensure we are available to support.

With many fun events planned, please make sure to keep up to date through our School Facebook Page, Edsby and your child's classroom teacher's weekly email.

Let's have another fantastic year at Father Beauregard! We look forward to seeing everyone throughout 2024-2025.

Weather

If it is raining or below -20C, outside doors will be unlocked at 7:55am. Students will be welcomed indoors at this time. Students are encouraged to continue using their correct entrances.

Drop Offs / Pick Ups

Families are encouraged to take advantage of our 'Drop Off Zone' where a supervisor will help assist students to their correct entry into school.

Supervision begins at 7:55am in the morning and ends at 2:55pm afterschool.

Families wait outdoors for students to exit the building at the end of the day.

Please notify the office if plans change for the end of the day (late pick ups, appointments)

Yellow Bus

Please [click here](#) for more information regarding routes, fees and to register your child.

Academic Support: All children develop at a different pace, with some children requiring additional services to support their academic, social and emotional growth. Ms. Sarah Torraville is our Classroom Support Teacher and Mrs. Eithne Pierre is our Vice Principal who helps to monitor student growth, identify areas for increased support, and provide intervention through dialogue and collaboration with both staff and families. The best point of contact for understanding your child's progress at school is their Classroom Teacher, and if you feel additional support is required, please share this with your child's teacher and/or reach out to Mrs. Sarah Torraville at sarah.torraville@fmcsd.ab.ca or Mrs. Pierre at eithne.pierre@fmcsd.ab.ca

Counselling Support: Father Beauregard's School Counsellor, Ms. Paris Gauthier is available to support students on a regular basis. If you would like your child to visit with our school counsellor, please contact any of the Administration, or reach out directly to Ms. Gauthier at paris.gauthier@fmcsd.ab.ca. Ms. Gauthier is available on Monday and Wednesday.

Apple Schools: We continue to be forever grateful to Apple Schools and their contribution to student health and wellness across multiple domains since 2011. Students at Father Beauregard are encouraged to enjoy many healthy snacks provided through our Grab and Go bins, participate in regular and ever changing Daily Physical Activities, Active Lessons supported through Division Mentorship, as well as resources for parents to support active healthy choices for children. For more information, please visit the [Division Apple School Website](#) and the [Apple School Website](#).

Allergies: Father Beauregard is a peanut and nut safe school due to students and staff with severe allergies. Please keep this in mind when packing your child(ren)'s lunches. Thank you in advance for your diligence.

Hot Lunch: Families are able to order hot lunch for their children each month from a variety of local restaurants around town. Each month, parents will receive a link with dates and food choices, as well as the payment options for this program. On Monday and Wednesday, students who order hot lunch receive their order just prior to the start of lunch. On Tuesday and Thursday, students can purchase hot pizza at the start of lunch without having to participate in our pre-order system. Hot Lunch begins the second week of school.

Student Cell Phone & Smartwatch Use - As per Alberta Government Regulations, students in Alberta schools will have cell phone and smartwatch free classrooms. This means, **students at Father Beauregard will not have access to their cell phone and/or smartwatch throughout the day.** This is consistent with current practices at Father Beauregard, and we are confident that our students and families will continue to support this endeavor. If issues arise with regards to cell phone or smartwatch uses, these devices will be removed from students' and parents will be notified to plan forward. We are confident with parental and community support, and consistent monitoring at school, Father Beauregard will continue to provide students with optimal learning opportunities that promote the use of appropriate technology usage with school devices and students will remain without their own personal devices throughout the school day. As always, if families require contact with their child while they're at school, please contact the main office at (780) 799-5767 and we will be available to support.

We are so excited for another great school year. As always, if you ever have any questions or concerns, please do not hesitate to reach out.
